Pre-booking makes for smooth sailing

Using the **Shore Excursion discount** helps your clients' **holiday budgets go that bit further**. But there are plenty of other reasons to **book trips in advance**.

Peace of mind

Our popular excursions **often sell out**.

Some have **limited availability**, many require specific slots and tickets to be validated **ahead of time**.

Inclusion

We speak their language.
We can arrange expert guides to deliver tours in **Greek, English, French, German, Spanish, Chinese, Russian, Japanese, Bulgarian and more** where available.

Convenience

As a **destination cruise line**, we spend a lot of time **in port**.

Which means there isn't much time onboard for guests to **plan and organise** what's next.

Value

Booking in advance makes the most of our **discount bundles**: a very good reason to get itineraries in place before the ship sails.

Guests can save up to:

- **10% for 3 excursions**
- **15% for 4 excursions**
- **20% for 5+ excursions**
